Re: *United States v. Yanping Wang, 23 Cr. 118-3 (AT)*

Dear Judge Torres:

We represent Yanping Wang in the above referenced matter and write to request a brief adjournment of Ms. Wang's sentencing, currently scheduled for Monday, December 2. As the Court is aware, on the afternoon of Friday, November 22, the government filed over 400 pages of victim impact statements. We were only able to discuss the statements, including certain factual assertions made therein which do not appear in the PSR, with Ms. Wang today and require additional time to conduct further investigation of certain issues.

The government, which has asked us to note that it is sensitive to victims' rights to be heard at the sentencing proceeding, has no objection to a brief adjournment to December 11, 12, or 13, with a preference for December 13.

We thank the Court for its consideration.

Respectfully submitted,

/s/ Brendan F. Quigley
